# Bhag^at~ Pahilaaj

---

Bhagat Pahlaj was one of the finest sindhi poets of recent times. Just about 50 years back he passed away in beawar. He has written about 3000 bhajans, all dedicated to the lord. The poetry, the language, the content is unmatched!

Our Sai, Baba Sadhuram sahib, Sri Mahant, Darbar Sahib Halani, has got a cd of his 100 bhajans recorded, in the voice of Bhai Jairamdas Hirani, of ulhasnagar, a classical singer and teacher, who unfortunately passed away immediately after completing the 100 bhajans The cd, released Diwali, 2014 is available at Ajmer and Khar Darbar.
